## Our Vision

Empowering human potential by bridging global opportunities.

## Our Mission

To be the first-choice trusted partner in facilitating seamless study, and overseas living experiences.

# Our Core Services

1

## University Placement

We help students identify and apply to the best universities globally. Our strong partnerships with over 100 top institutions in countries such as Australia, the USA, the UK, Canada, and New Zealand ensure that students find the best match for their academic and professional goals. We provide personalized guidance, making the entire process from application to enrollment convenient.

2

## English Proficiency Support

We provide specialized coaching for students preparing for English language proficiency exams such as IELTS, PTE, and TOEFL. Our programs are designed to build confidence, enhance language skills, improve test scores, and help students successfully meet university admission requirements.

## OUR CORE SERVICES

05

# 3

### **Visa Consultancy**

Our free and expert visa consultation services ensure that students face no hurdles during their visa application process. From documentation to visa interviews to visa submissions, we offer tailored advice that simplifies the entire journey, allowing students to have a hassle free service.

# 4

### **Pre-Departure & Onboarding Support**

Preparing for a new life abroad can be overwhelming. Our pre-departure support covers everything from cultural acclimatization to practical travel advice. Upon arrival, we offer onboarding services to ensure that students are settled and comfortable in their new environment.

# Why Choose Global Uni Connect?

**1**

## University Placements and Success Rate

We take pride in our 100% success rate in visa submissions and a 95% success rate in helping students secure placements at their preferred universities.

**2**

## Trusted by Top Institutions

Our partnerships with renowned universities, including Top 100 ranked institutions, across multiple countries make us a trusted entity in the education consultancy field. These collaborations are further enhanced through our strong affiliation with SLIIT, leveraging its global network and reputation.

**3**

## Comprehensive Support

We offer end-to-end services, guiding students through every aspect of their academic journey—from the initial application to settling into life abroad.

**4**

## Global Expertise

Our experienced international education professionals guide students in university selection, visa, and migration options, offering deep insights and support throughout their academic journey abroad.

## WHY CHOOSE GLOBAL UNI CONNECT?

### 5

#### Access to Exclusive Transfer Pathways

Our Global Transfer Pathways program lets students start their studies locally and transfer to over 50 plus international universities, offering flexibility and access to diverse academic strengths.

### 6

#### Tailored Approach to Candidate Profiling

We provide personalized guidance, from course and destination selection to career advice, ensuring a customized, supportive study abroad experience tailored to each student's strengths and needs.

### 7

#### Post-Arrival Support and Integration

We offer pre-departure training and on-arrival support, including cultural integration guidance and help connecting with university services, making the transition to a new country seamless.

### 8

#### Led and Guided by Renowned Academic & Leadership Experts

Global Uni Connect is founded and managed by esteemed academics, thought leaders, and experienced university administrators. Their exceptional expertise and visionary leadership ensure a robust, informed, and student-focused approach to global education opportunities.

# Global Transfer Pathways

Global Transfer Pathways is an exclusive program designed to offer flexibility and expanded opportunities in the academic journey by enabling seamless continuation of education across different countries. This unique pathways initiative is particularly beneficial for those seeking to explore diverse educational environments or pursue specialized academic opportunities. The program's main cohorts are established through partnerships with the University of Edinburgh, the University of Queensland, and the University of Western Australia, delivering exceptional degree pathway programs with guaranteed transfers in IT, Business, and Engineering.

## How it Works

**1****2****3**

### Begin Your Studies Locally at SLIIT

Start your academic journey at SLIIT in Sri Lanka, where you can benefit from affordable tuition fees while pursuing your chosen degree.

### Complete Initial Studies at SLIIT

Complete the first portion of your degree program at SLIIT, laying the foundation for your higher education abroad.

### Transfer to Prestigious Global Partners

After finishing your studies at SLIIT, you can seamlessly transfer to one of SLIIT's prestigious global partner universities, such as:

- University of Edinburgh (UK)
- University of Queensland (Australia)
- University of Western Australia (Australia)

### Guaranteed Transfer and Academic Progression

The transfer system guarantees a smooth transition into the academic programs of partner universities, ensuring continuity in your education.

### Expand Your Global Options

SLIIT's extensive network includes over 25 leading universities across countries like Australia, Canada, the USA, the UK, and New Zealand, offering you a broader range of world-class institutions to choose from.

## Advantages for Students

### Financial Flexibility

Students begin their education at SLIIT with lower tuition costs in Sri Lanka and transfer to top-tier international universities, benefiting from exclusive scholarships and bursaries.

### Academic Excellence

By studying at globally ranked institutions, students experience diverse academic cultures, teaching methods, and research opportunities.

### Career Opportunities

Graduating from prestigious institutions across multiple countries enhances employability, with global exposure and strong connections to industries worldwide.

### Alternative Entry

The structured transfer pathways provide a clear route to prestigious universities, allowing students to pursue their academic goals while offering flexibility for those with varying academic backgrounds.

## Support Services

Global Uni Connect provides detailed guidance through every step of the study abroad process which includes:

### Academic Counseling

Advising students on the best courses and programs that align with their long-term career goals, ensuring they maximize the benefits of the transfer.

### Application Submission

We assist students with the submission of university applications, providing guidance to ensure accuracy and completeness. Our team also conducts timely follow-ups to facilitate the prompt issuance of offer letters and other admission-related documents.

### Professional Financial Advice

Comprehensive guidance on budgeting, tuition fees, and managing finances for international education, along with access to professional financial advice.

### Visa Support

Navigating different visa requirements as students move between countries.

# Meet Our Leadership

**Prof. Janaka Ruwanpura**  
Co-Founder

An internationally recognized academic leader and scholar Prof. Ruwanpura has played a pivotal role in global education initiatives. With decades of experience at the University of Calgary, his leadership ensures that Global Uni Connect remains at the forefront of international education.

**Kenneth Fleming**

# What Students and Alumni Say About Us

“ I am able to excel, pursuing my MSc. at the University of Hertfordshire.”

Vinod Ganegoda

“ As a young graduate I am thriving, pursuing my masters in the UK.”

Sharmiya Vijeykumar

“ I am pursuing my MSc. at Hertfordshire, UK, fulfilling my dreams.”

Harshana Hapuaarachchi

“ Global Uni paved the way for my Algoma success.”

Vishmi Nivarthana

“ I am a transfer student at Youngstown State University(YSU), USA for the Bachelor of Computer Science Program. I transferred from Sri Lanka Institute of Information Technology(SLIIT), after the completion of Year 2. I was able to transfer almost all of my credit studied at SLIIT at YSU. SLIIT 's Global Education department was very supportive and helpful during the entire process , whenever I needed assistance.”

Umesh Yadav

THANK YOU
